

I don't mean to go off on a rant...so...

Posted by [Prof. Goose](#) on May 24, 2005 - 10:04pm

I'll just point you to a couple of high quality and lengthy rants tonight...and then we'll leave the comment thread open to discuss them if you wish.

[Here's one at Peak Energy US](#) (pretty much a general purposeful rant on a variety of topics), and here's the other over at [Baloghblog](#) (a digestion of Kunstler's TLE).
