

Open commenting thread for the weekend...

Posted by [Prof. Goose](#) on May 27, 2005 - 11:06am

First, a welcome to new readers linked here from [Washington Monthly](#), the [Energy Bulletin](#), and [peakoil.com](#)...pull up a comment box and have a good time.

As noted in the last post, both HO and I leave today to embark on holiday travels...however, I wanted to leave an open comment thread for you all to post the weekend news and discuss it if you wished.

(Both HO and I will be on and off over the course of the weekend (I think...), but I will only be on dialup. My parents are yet to discover the world of the information autobahn, sadly.)

Anyway, enjoy! Have a good and safe weekend!
