

## Ensuring food access

Posted by [Yankee](#) on June 11, 2005 - 12:15pm

Topic: [Alternative energy](#)

Someone who works for the [Council on the Environment of New York City](#) must be a peak oil activist, or at least wants to cater to people who are. I took this picture this morning while doing my weekly produce shopping. ([Click here](#) for a blow up to better read the text.)

Not many other organizations or companies are advertising that their product will be useful when there are fuel shortages...
