

Also...a big thank you to Super G...

Posted by [Prof. Goose](#) on July 4, 2005 - 11:34am

You have probably noticed that some changes are being made to TOD. We're trying to make some improvements to the site to make your experience better.

Many of the thanks should go to Super G for his work thus far...thanks SG.

If you have any suggestions, comments, or ideas, or just want to thank Super G for his work, the comment box is below.
