

Nate Hagens on "The Reality Report" with Jason Bradford at Noon EST

Posted by Prof. Goose on December 24, 2007 - 11:52am

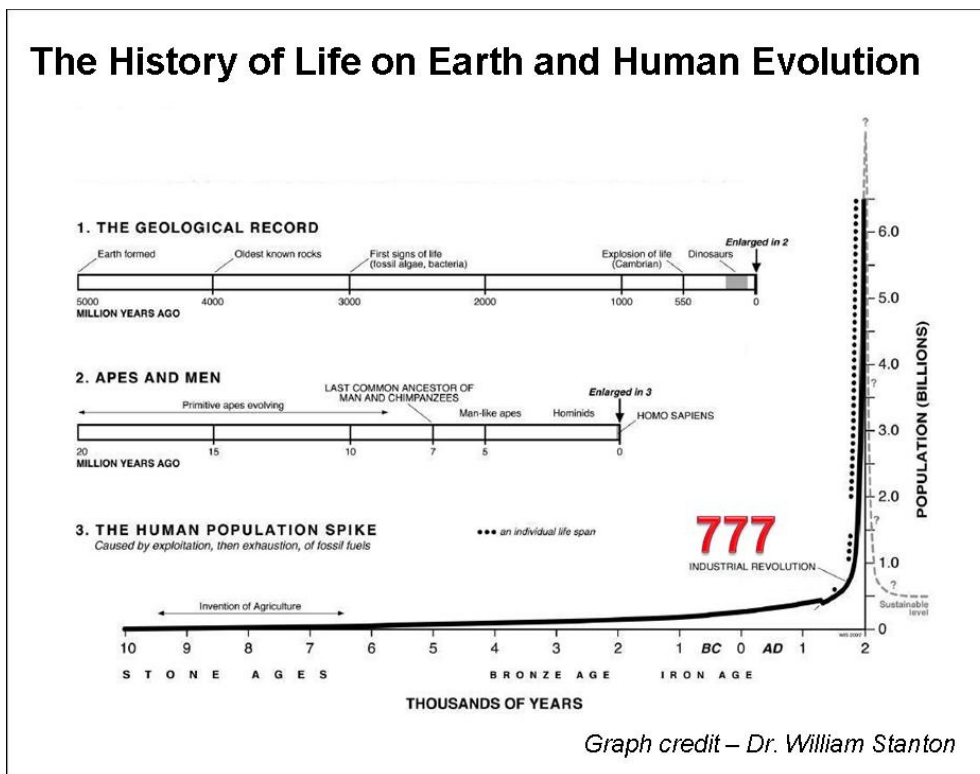

Topic: Demand/Consumption

Tags: [jason bradford](#), [peak oil](#) [list all tags]

Nate and Jason will be discussing the demand/consumption side of peak oil, focusing on habituation, addiction and their impacts on our energy situation.

(Some slides discussed below fold)

<http://www.kzyx.org> (you can listen live by clicking on upper right 'listen live')

	<p>According to July 2007 Time Magazine, 2 million+ pathological gamblers</p>		<p>19 million+ addicted to alcohol (7.7%)</p>
	<p>4 Million+ addicted to food</p>		<p>3.6 million addicted to illegal drugs</p>
	<p>15 million+ compulsive shoppers</p>		<p>71.5 million addicted to nicotine</p>
	<p>16 million+ addicted to sex or pornography</p>		<p>80-90% of adults routinely ingest caffeine</p>
	<p>Unknown millions (still a debate on whether a formal addiction)</p>		<p>But USA only has 300 million people!!</p>
