Because there's a lot to talk about. Ideas for things we need to cover on Monday, things we haven't thought of, links to articles and/or local coverage, etc. Or, if you just want to drop a prayer or a thought off, feel free to do that as well.

Also, note the new Red Cross box in the upper right hand corner. We will all have to do without the pithy quotes for the time being. That cause is much more important.
