The ELM (and the WSJ article yesterday) makes Yahoo Finance:

Henry Blodget and Aaron Task. Well worth watching!! [Here's a link to the article](#) (from which this video comes, that links to TOD in the last sentence).

Under the fold, more videos from TOD's own Rembrandt Koppelaar, Matt Simmons, Bob Hirsch, Amory Lovins, Randy Udall, Marvin Odum, and others...

Here's TOD's own Rembrandt Koppelaar, ASPO Netherlands President on Dutch Television Show NOVA 23 May 2008

Simmons on CNBC...

"What we need to worry about is not high prices, but shortages -- especially for diesel."

"The economists ought to be embarrassed, and the energy economists are the worst of the lot."

Dr. Robert L. Hirsch, Sr. Energy Advisor at Management Information Systems, delivers a keynote speech at the 2008 AFVi Conference in Las Vegas.

Amory Lovins, Randy Udall, Marvin Odum (VP of E&P at Shell) at the first ever Aspen Environment Forum.
