

New feature: PDF versions of stories

Posted by [Super G](#) on September 5, 2009 - 10:15am

Topic: [Site news](#)

PDF versions of The Oil Drum stories are now available. These versions are optimized for viewing in a PDF viewer or on a printed page.

You can find a link to PDF versions at the bottom of each of the story summaries on the front page, or at the end of each story on the story page.
