Put your suggestions in the comments below. What are you doing to spread awareness. Let's have a discussion on what "success" would look like for achieving awareness of peak oil at a national/local level.

---

Some ideas: \* Letter Writing to Public Officials \* Local Education Meetings / End of Suburbia Screenings \* Informed Media Coverage \* Scientific Papers \* Protest Marches / Picketing \* Network with Allied Orgs (Environmental, Mass Transit, Biking, etc) \* Person to Person Networking (face to face or email)
